We have something to talk with you
a little, please?
Don't you think that was quite unfair?
Ah...

Yuyu-chan that is
...eh
suddenly being so kind to Kuriyama-san in the front of everyone
and acting like a kind girl and impressing them like that
Kuriyama-san hates it too, right?
Eto...
Looking that, we understand

What was Kuriyama-san wanted to say until you cut your hair on that day
Even though we are always together, we don't realize at all
We're sorry

Even though it matches with Yuyu's
because it got dirty
...I'm going to say it
Nana-chan sure likes something like this~

I'll convey more my feelings properly

"stop doing these things"
It's not Yuyu-chan's type, right?
but...
It doesn't suit you
Right~ right~
Forcing yourself to match is annoying, you know
Yu..

てきにメインキャラに男子がいるので、かっこよく描くのも毎回心がけてたのですが、今回ラストに詩丘くんの見せ場を集めた回想シーンで…
